Switchback

Dear Brian & Marty

The Board Members of the Dubuque Arts Council are very appreciative to have had you as our Artists in Residence. From the evaluations we have received from the schools, you have done an excellent job for us. I will email the evaluations after they've all come in. The board members were thrilled by your program and by the response of the teachers and students during your performance. We all enjoyed socializing with both of you, you bring a lot of great stories and laughter to gatherings.

Thanks again for your excellent program.

Sincerely,

DUBUQUE ARTS COUNCIL
