Kick box (bass drum) snare, hi-hat, ride, crash

Martin McCormack
Bass Guitar, Vocals

Brian FitzGerald
Mandolin, Guitar, Vocals

AUDIENCE

 Rug for drums, approx. 3'x3'

 Strip outlet connected to standard source needed for Brian's pedals.

 Direct Boxes. Two DI's will be provided by the band. All instruments plug in! Brian uses same DI for mandolin and guitar.

 Microphones. Boom stands required for stands!

 Microphones for Drums: One Kick and One Boom overall.

MONITORS: Monitors should have split mixes giving Marty his vocals and bass and Brian his vocals, mandolin, and guitar. Band may also provide small amplifiers based on room size that can be direct-lined out.

LIGHTING: Band asks for low lighting in house (enough to make out faces). Spots on stage, mix of lights depending on what's available.

ADDITIONAL: Consult with hospitality rider.
